409 PROSPECT ST., NEW HAVEN, CONN.

July 22, 1941.

Members of the Executive Committee, Trustees and
Associate Trustees.

Gentlemen:

The New York Times this morning carried a notice of the death of Dr. Fisher in Jerusalem. Having received no word of this directly as yet, I do not know any details.

I have sent the following telegram to the Secretary of State:

Fisher

"Just learned death Acting Director/ of American School Oriental Research Jerusalem. Please have Consul-General take complete charge pending other arrangements."

We must decide as soon as possible what should be done about the School. The arrangements regarding Dr. Engberg, which we discussed at our Chicago meeting, will naturally be affected. I shall appreciate it if you will write to me your suggestions and ideas. Please address me at:

Candlewood Isle,
