Dr. John Slawson
Executive Vice President
American Jewish Committee
386 4th Avenue
New York 16, N.Y.

Dear John,

I am sending this letter to you through Mr. Gordon Merriam, of the State Department in Washington. If he forwards this letter to you, you can take it as meaning that you or Judge Joseph M. Proskauer, President of the American Jewish Committee, 11 Broadway, New York City, can write to me in his care, and that your letters will then go through the pouch. You understand, of course, that in that case your letters will be censored by the State Department. I take it for granted that if this proves possible, you will make no mention of it in any letters which may go through the ordinary mail.

Sincerely yours
