Dear Burrows:

We had a nice meeting yesterday, and I am just finishing up a number of matters in connection our Schools' business.. I have written to Dr. Barton to find out when our list of investments was last reviewed by Patten and Warburg, because I am anxious to have them inspected again. Nothing was done about the suggestion to approach Mr. Warburg for a contribution. What is your thought.

I just thought this evening that it might be advisable to take action with regard to reducing the salary of the ~~next~~ ¹⁹³⁶⁻⁷ Annual Professor to \$1000. If you think it advisable, perhaps by letter to the members of the Board of Trustees the matter could be decided on. I remember that we discussed it briefly at the Christmas meeting, but do not think that any action was taken.

On thinking the matter over, I feel that it is enough for the Schools to pay one half of my actual train fare to the meetings, so I am sending you a voucher for \$20.

I also take this occasion to acknowledge with many thanks for purposes of record you gift of \$50 to the Endowment Fund, which I have just forwarded to the bank with the proper memorandum.

With best greetings,

sincerely yours,

N G
